Our family sincerely appreciates the support of our customers, bidders and guests at this year's sale! Thank you for fitting us in during this brutal calving season of extreme cold and snow. It sure hasn't been the spring (or winter for that matter) that we expect and manage for. It has 'been a long one' and we're certainly proud to be associated and working with you in an industry that has the fortitude, ingenuity and stockmanship to provide and progress with the animals under our care! Many thanks for giving us the opportunity to add our bulls and heifers to your breeding herd.

Respectively ~ the Delorme Family
